ENDLESS WINS COVETED BVCA AWARD

Endless collected the prestigious award at the ceremony which took place in London on 22 April 2010.

The Private Equity Awards recognise the very best achievements of individuals and firms working within venture capital and private equity and are the ultimate accolade for the industry's dealmakers and advisers.

Endless is very proud to have won this award after another great year, having now completed eight deals in Fund II whilst also announcing three very successful exits from Fund I in the past few months. The award is a fantastic testament to the Endless team, management and employees at our portfolio companies, the banks with whom we have partnered and our investors.

The award follows another prestigious accolade won four months earlier in the shape of the Turnaround Financier of the Year award at the Annual Institute for Turnaround Awards.
